Our STORY

Mineo's first opened its doors September 1st, 2005, to an amazing response. At the time, PJ was just a baby on my hip, and I could have never imagined the incredible journey that lay ahead. While some things have changed over the years, one thing that will always remain is my commitment to serving you the absolute best.

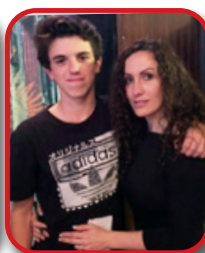

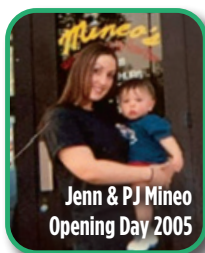

From our dough to our meatballs, all our family recipes are made from scratch using only the freshest ingredients available. We do not skimp on portions, and we do not believe in shortcuts. Every meal is prepared fresh, without pre-cooking or rushing the process. Our commitment to quality means your meal may take a little longer, but when it arrives, you will taste why it was worth the wait.

When you're here we want you to feel at home. Whether you are spending time with loved ones or catching a game on one of our 13 TV's, you can kick back, relax and enjoy your visit. We also have arcade games to entertain the little ones and live trivia Wednesday nights, so there is a little fun for everyone.

We love this community and have been truly honored to serve you for nearly two decades. We hope you enjoy being a part of our Mineo family!

Sincerely,

Jenn & PJ Mineo
